## DEVELOPMENT EXPERIENCE

---

### General Assembly - Boston

Web Development Immersive

August 2016 - Nov. 2016

12-week full-time immersive course in web development technologies and best practices. I gained experience in all phases of a development project from wireframes and modeling through to deployment. I had the opportunity to collaborate with other developers and senior consultants.

#### ► Pin Planner

Party planning web application for avid list makers. The app was built with my new acquired Ember skills, JavaScript, and Ruby on Rails.

#### ► Tic Tac Toe

A classic tic tac toe web app built with Sass, Bootstrap, and JavaScript.

#### ► E-Commerce Site

Fashion boutique site inspired by General Assembly's 14th cohort. This site was a group project built using JavaScript, Handlebars, Express, Mongoose and MongoDB.

#### ► Boston Day Trips

Web application that makes it easy to find day trips within the Boston area. The app was built with Handlebars, JavaScript, Jquery, and Ruby on Rails.

### General Assembly - Boston

HTML, CSS Circuits Course

May 2016 - July. 2016

12-week part-time course on HTML and CSS fundamentals.

## DESIGN EXPERIENCE

---

### Interior Designer - Gensler

May 2012 - August 2016

Team member on both large and small scale commercial interiors projects. Contributed to all phases of the design process from design development through construction administration. Gained experience working as the primary client contact and solving complex problems on a team.

### Marketing Intern - The Washington Design Center

May 2011 - August 2011

Worked with senior members of the marketing team to coordinate promotional events and produce monthly newsletters.
